Amazing Grace

*Amazing grace how sweet the sound,
That saved a wretch like me!
I once was lost but now am found,
Was blind but now I see.
T'was grace that taught my heart to fear,
And grace my fears relieved.
How precious did that grace appear,
The hour I first believed.
When we've been there ten thousand
years,
Bright shining as the sun,
We've no less days to sing God's praise,
Than when we'd first begun.*
